## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(c), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(c) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on November 10, 2008 has been entered.

Claims 1-7, 9-10, 15, 17-21, 23 and 29 are pending in this application.

## **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

The Information Disclosure Statement filed on November 10, 2008 is acknowledged and a copy is enclosed herewith.

The documents cited in the IDS filed on November 10, 2008 have been fully considered. The reference, WO 03/026664 does not teach or fairly suggest the instantly claimed compounds. Particularly, the reference teaches 2,4-diaminopyrimidine compounds as compared to the instant claims which are drawn to 2-sulfanyl-4-amino-pyrimidine compounds.

The only other issue that was previously present in the instant application was a provisional obviousness-type double patenting rejection over copending application No. 11/500,981, which is later filed as compared to the instant application. Application 11/500,981 was allowed September 5, 2008 and applicant filed a RCE on December 4, 2008. As per MPEP

§ 804, the provisional double patenting rejections should be withdrawn in the earlier filed application thereby permitting the earlier filed application to issue. Accordingly, the instant application (which is earlier filed) is allowed to issue. For the record, applicant filed a terminal disclaimer in 11/500,981 over the instant application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
